(k) "ULA" means ULA, LLC as identified on the face of this Contract.

(l) "Work" means all required labor, articles, materials, supplies, goods, services and deliverable information and records embodying such information constituting the subject matter of this Contract.

1. ACCEPTANCE OF CONTRACT/TERMS AND CONDITIONS

(a) CONTRACTOR's acknowledgment, acceptance of payment, or commencement of performance, shall constitute CONTRACTOR's unqualified acceptance of this Contract.

(b) Unless expressly accepted in writing by ULA, additional or differing terms or conditions proposed by CONTRACTOR or included in CONTRACTOR's acknowledgment are objected to by ULA and have no effect.

2. ALLOWABLE COST AND PAYMENT (FAR 52.216-7, Allowable Cost and Payment)

(a) **Invoicing.** ULA shall make payments to CONTRACTOR when requested as Work progresses, but (except for Small Business Concerns) not more often than once every two (2) weeks, in amounts determined to be allowable by ULA in accordance with the terms of this Contract and Subpart 31.2 of the FAR, and agency supplements as appropriate, in effect on the date of this Contract. If the Contract is with an educational institution, FAR Subpart 31.3 shall apply; and if with a non-profit organization other than an educational institution, FAR Subpart 31.7 shall apply. CONTRACTOR may submit to the Procurement Representative, in such form and reasonable detail as the Representative may require, an invoice or voucher supported by a statement of the claimed allowable cost for performing this Contract.

(b) Reimbursing costs.

(1) For the purpose of reimbursing allowable costs (except as provided in paragraph (b)(2) of the clause, with respect to pension, deferred profit sharing, and employee stock ownership plan contributions), the term "costs" includes only: (i) Those recorded costs that, at the time of the request for reimbursement, CONTRACTOR has paid by cash, check, or other form of actual payment for items or services purchased directly for this Contract; (ii) When CONTRACTOR is not delinquent in paying costs of Contract performance in the ordinary course of business, costs incurred, but not necessarily paid, for— (A) Work purchased directly for the Contract and associated financing payments to subcontractors, provided payments determined due will be made— (1) In accordance with the terms and conditions of a subcontract or invoice; and (2) Ordinarily within thirty (30) days prior to the submission of CONTRACTOR's payment request to ULA; (B) Materials issued from CONTRACTOR's inventory and placed in the production process for use on this Contract; (C) Direct labor; (D) Direct travel; (E) Other direct in-house costs; and (F) Properly allocable and allowable indirect costs, as shown in the records maintained by CONTRACTOR for purposes of obtaining reimbursement under Government contracts; and (iii) The amount of financing payments that have been paid by cash, check, or other forms of payment to CONTRACTOR's subcontractors.

(2) Accrued costs of CONTRACTOR contributions under employee pension plans shall be excluded until actually paid unless:

(i) CONTRACTOR's practice is to make contributions to the retirement fund quarterly or more frequently; and (ii) The contribution does not remain unpaid thirty (30) days after the end of the applicable quarter or shorter payment period (any contribution remaining unpaid shall be excluded from CONTRACTOR's indirect costs for payment purposes).

(3) Notwithstanding the audit and adjustment of invoices or vouchers under paragraph (g) of this clause, allowable indirect costs under this Contract shall be obtained by applying indirect cost rates established in accordance with paragraph (d) of this clause.

(4) Any statements in specifications or other documents incorporated in this Contract by reference designating performance of services or furnishing of materials at CONTRACTOR's expense or at no cost to the ULA shall be disregarded for purposes of cost-reimbursement under this clause.

(c) **Small business concerns.** A small business concern may receive more frequent payments than every two (2) weeks.

(d) **Final indirect cost rates.** ULA shall reimburse CONTRACTOR on the basis of final annual indirect cost rates and the appropriate bases established by CONTRACTOR and the Government in effect for the period covered by the indirect cost rate proposal. Final annual indirect cost rates and the appropriate bases shall be established in accordance with FAR Subpart 42.7 in effect for the period covered by the indirect cost rate proposal. Such rates and bases shall not change any monetary ceiling, contract obligation, or specific cost allowance or disallowance provided for in this Contract. The rates and bases shall be deemed incorporated into this Contract upon execution of a written settlement of rates by the CONTRACTOR and the appropriate Government representative.

(e) **Billing Rates.** There shall be included as allowable indirect costs such overhead rates as may be established by CONTRACTOR and the cognizant Government agency in accordance with the principles of the FAR and applicable FAR supplement. Pending establishment of final indirect overhead rates for any period, CONTRACTOR shall be reimbursed at billing rates approved by the cognizant Government agency, which billing rates may be revised from time to time subject to such approval

and subject to appropriate adjustment when the final rates for that period are established. The CONTRACTOR shall update the billings on this CONTRACT to reflect the final settled rates and update the schedule of cumulative direct and indirect costs claimed and billed, within sixty (60) days after settlement of final indirect cost rates.

(f) **Quick-closeout procedures.** When CONTRACTOR and ULA agree, quick-closeout procedures of Subpart 42.7 of the FAR may be used.

(g) **Audit.** At any time or times before final payment, ULA or the Contracting Officer may have CONTRACTOR's invoices or vouchers and statements of cost audited. Any payment may be (1) reduced by amounts found not to constitute allowable costs or (2) adjusted for prior overpayments or underpayments.

(h) **Final payment.**

(1) CONTRACTOR shall submit a completion invoice or voucher reflecting the settled amounts and rates, designated as such, promptly upon completion of the Work, but no later than one hundred and twenty (120) days (or longer, as ULA may approve in writing) from the completion date. The completion invoice or voucher shall include settled Subcontract amounts and rates. Upon approval of that completion invoice or voucher and upon CONTRACTOR's compliance with all terms of this Contract, ULA shall promptly pay any balance of allowable costs and that part of the fee (if any) not previously paid.

(2) CONTRACTOR shall pay to ULA any refunds, rebates, credits, or other amounts (including interest, if any) accruing to or received by CONTRACTOR or any assignee under this Contract to the extent that those amounts are properly allocable to costs for which CONTRACTOR has been reimbursed by ULA. Reasonable expenses incurred by CONTRACTOR for securing refunds, rebates, credits, or other amounts shall be allowable costs if approved by ULA. Before final payment under this Contract, CONTRACTOR and each assignee whose assignment is in effect at the time of final payment shall execute and deliver: (i) An assignment to ULA, in form and substance satisfactory to ULA, of refunds, rebates, credits, or other amounts (including interest, if any) properly allocable to costs for which CONTRACTOR has been reimbursed by ULA under this Contract; and (ii) A release discharging the ULA, Government, its officers, agents, and employees from all liabilities, obligations, and claims arising out of or under this Contract, except: (A) Specified claims stated in exact amounts, or in estimated amounts when the exact amounts are not known; (B) Claims (including reasonable incidental expenses) based upon liabilities of CONTRACTOR to third parties arising out of the performance of this Contract; provided, that the claims are not known to CONTRACTOR on the date of the execution of the release, and that CONTRACTOR gives notice of the claims in writing to ULA within six (6) years following the release date or notice of final payment date, whichever is earlier; and (C) Claims for reimbursement of costs, including reasonable incidental expenses, incurred by CONTRACTOR under the patent clauses of this Contract, excluding, however, any expenses arising from CONTRACTOR'S indemnification of ULA and the Government against patent liability.

(i) **Subcontracts.** No subcontract placed under this Contract shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursements type subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c) of the FAR.

3. APPROVALS

ULA's approval of documents shall not relieve CONTRACTOR of its obligations to comply with the requirements of this Contract.

4. ASSIGNMENT

CONTRACTOR shall not assign any of its rights or interest in this Contract or subcontract all or substantially all of its performance of this Contract, without ULA's prior written consent. CONTRACTOR may assign rights to be paid amounts due, or to become due, to a financing institution if ULA is promptly furnished a signed copy of such assignment reasonably in advance of the due date for payment of any such amounts. Amounts assigned shall be subject to setoff or recoupment for any present or future claims of ULA against CONTRACTOR. ULA shall have the right to make settlements and/or adjustments in price without notice to any assignee financing institution.

5. COMMUNICATION WITH ULA CUSTOMER

ULA shall be solely responsible for all liaison and coordination with ULA's customer unless explicitly required in another clause, including the U.S. Government, as it affects the applicable prime contract, this Contract, and any related contract. If another clause requires direct communication with ULA's customer, CONTRACTOR shall notify ULA immediately and provide ULA a copy of the communication.

6. COMPLIANCE WITH LAWS

(a) In performing this Contract, CONTRACTOR agrees to comply with all applicable local, state, and federal laws, orders, rules, regulations, codes and ordinances ("Laws") that may affect performance of this Contract. CONTRACTOR shall indemnify, defend

and hold harmless ULA against any liability, fine or penalty that may be imposed upon ULA as a result of CONTRACTOR's failure to comply with such Laws.

(b) CONTRACTOR represents that each chemical substance constituting or contained in Work sold or otherwise transferred to ULA hereunder is on the approved list of chemical substances compiled and published by the Administrator of the Environmental Protection Administration pursuant to the Toxic Substances Control Act (15 U.S.C. Sec. 2601 et seq.) as amended.

(c) CONTRACTOR shall provide to ULA with each delivery any Material Safety Data Sheet applicable to the Work in conformance with and containing such information as required by the Occupational Safety and Health Act of 1970 and regulations promulgated thereunder, or its State approved counterpart.

(d) CONTRACTOR represents and warrants that it is not included on the Excluded Parties List System (EPLS) and agrees to notify ULA immediately upon learning that it or any of its affiliates and/or Subcontractors has been proposed for inclusion in the Excluded Parties List System (EPLS).

7. CONTRACT DIRECTION

(a) Only the Procurement Representative has authority to make changes to this Contract. All changes to this Contract must be in writing and executed by the parties.

(b) ULA personnel other than the Procurement Representative may from time to time render assistance or give technical advice or discuss or effect an exchange of information with CONTRACTOR's personnel concerning the Work hereunder. No such action shall be deemed to be a change under the "Changes" clause of this Contract and shall not be the basis for equitable adjustment.

(c) Under the "Changes" clause of this Contract, the Procurement Representative may direct changes as to the terms and conditions of this Contract required to meet ULA's obligations under Government prime contracts.

(d) Except as otherwise provided herein, all notices to be furnished by the CONTRACTOR shall be in writing and sent to the Procurement Representative.

8. DISPUTES AND ARBITRATION

(a) **Continuation of Performance.** CONTRACTOR will perform the Work as set forth in this Contract. If ULA requires CONTRACTOR to perform work that CONTRACTOR does not believe this Contract requires it to perform (hereafter referred to as "Disputed Work"), then CONTRACTOR will perform the Disputed Work and will start the dispute resolution procedure in accordance with this clause, to determine whether CONTRACTOR should be paid additional money for this work.

(b) **Management Consultation.** Any dispute between the parties will first be referred to each party's senior management for resolution. The senior managers will meet and confer with respect to the subject under dispute.

(c) **Arbitration.** Any dispute arising out of or relating to this Contract, or any breach of this Contract, that the parties have been unable to resolve by management consultation as provided in paragraph (b), will be resolved exclusively by arbitration. The arbitration will be in accordance with the rules prepared by the American Arbitration Association except as specifically modified in this Contract.

(i) **Agreement to Arbitrate.** The award of the arbitrator shall be final and binding upon the parties.

(ii) **Governing Rules.** The arbitration shall be in accordance with the rules of commercial arbitration of the American Arbitration Association, except that in the event of any conflict between those rules and the arbitration provisions of this Contract, the provisions of this Contract shall govern.

(iii) **Appointment of Arbitrator.** The number of the arbitrators shall be one. Upon application of one of the parties to this Contract, the American Arbitration Association in Denver, Colorado shall appoint the arbitrator. The arbitration, including the making of the award, shall take place in Denver, Colorado.

(iv) **Commencement of Arbitration.** Either party may commence an arbitration by applying to the American Arbitration Association office in Denver for appointment of an arbitrator. The application for appointment will identify the other party to this Contract by name and address. A copy of the application for appointment of an arbitrator will be sent to the other party.

(v) **Issues in Dispute.** The application for appointment will specify the issues that are in dispute, the position of the initiating party as to those issues, the identity of the parties with whom the initiating party is in dispute, and will state the remedy that the initiating party seeks.

(vi) **Award.** The arbitrator is authorized to award damages to the prevailing party and to order specific performance of any contractual obligation that he finds a party is failing to perform. The arbitrator will make the award within thirty (30) business days from the date established for final submittal of oral or written statements and documents to the arbitrators. An award will be in writing, will state the precise reasons for the award and will specify the remedy or relief granted, if any.

(vii) **Enforcement.** An award by the arbitrator will be final and conclusive as to the issue or issues that were the subject of the arbitration. The parties to this Contract exclude any right of application or appeal to any court and, in particular, in connection with any questions of jurisdiction or question of law arising in the arbitration or out of the award. The award will be enforceable in any court having jurisdiction over the party against whom enforcement is sought.

(viii) **Language.** The parties will use English as the single language for the arbitration proceeding. Simultaneous interpretation shall be allowed.

(ix) **Interim or Provisional Remedies.** Any party commencing an arbitration under this Contract may seek from any court of competent jurisdiction a temporary remedy (such as an injunction or order to refrain from taking certain action) that is needed to preserve assets or the rights of that party while the arbitration is being conducted. Once an arbitrator is appointed, the arbitrator may impose a temporary remedy, in addition to or to supplement any temporary remedy imposed by the court.

(x) **Attorneys' Fees and Expenses.** Each party shall bear its own costs, including attorneys' fees, related to any arbitration proceeding brought pursuant to this Contract.

9. ENTIRE AGREEMENT

This Contract integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the Parties.

10. EXPORT CONTROL

(a) Technical data, defense services, software and/or hardware furnished under or in connection with this Contract may be subject to U.S. export or import control laws and regulations, and may be subject to export or import laws and regulations of other countries. All Parties agree to comply with all such laws and regulations.

(b) The CONTRACTOR agrees to reasonably cooperate with ULA for assessments, audits and other fact-finding required to ensure compliance to U.S. export/import laws and regulations or as part of an investigation or corrective action related to a potential or actual violation of U.S. export/import laws and regulations. The CONTRACTOR will provide input for such activities in a timely and accurate manner. This subparagraph shall be flowed down to any authorized Subcontractors, as applicable.

(c) Where applicable, CONTRACTOR as the Foreign Principal Party in Interest (FPPI) agrees to notify its designated U.S. freight forwarder in writing that ULA will submit its own Automated Export System (AES) authorizations. CONTRACTOR additionally agrees to advise its forwarder to furnish ULA a copy of the export bill of lading verifying that the AES authorization provided by ULA has been properly listed.

(d) Where the CONTRACTOR is a signatory or party under a ULA export agreement (e.g. TAA, MLA, DWA) or license, CONTRACTOR shall provide prompt notification to ULA in the event of changed circumstances including, but not limited to, change in name, address, ownership, organization restructure with another company, ineligibility in accordance with ITAR, part 126.13(a)(3), violation or potential violation of the ITAR, or the initiation or existence of a U.S. Government investigation, that could affect CONTRACTOR's performance under this Contract. This subparagraph shall be flowed down to any authorized Subcontractors as applicable.

(e) For imported, duty paid merchandise that ULA subsequently re-exports, ULA retains all duty-drawback rights. The CONTRACTOR agrees to support ULA in a timely manner by providing necessary documentation to claim duty drawbacks.

(f) Should an item imported directly from a foreign supplier be eligible for a free or reduced duty rate under a specific trade program such as NAFTA, Generalized System of Preferences-GSP, or other region/country specific free trade agreement, the CONTRACTOR agrees to provide and maintain documentation necessary to support such claims. ULA will provide information to the CONTRACTOR regarding any duty minimization opportunities.

(g) When CONTRACTOR is responsible for clearing the Work through United States Customs, CONTRACTOR will neither cause nor permit ULA's name to be shown as "Importer Of Record" on any customs declaration form or other documentation.

(h) For any shipment arriving in the U.S. by ocean transport vessel, U.S. Customs & Border Protection (CBP) requires an Importer Security Filing (ISF) to be completed 24 hours PRIOR to vessel departure from the originating country. ULA will submit the Importer Security Filing, but must obtain certain data elements from the contractor in order to accomplish this task. CONTRACTOR agrees to cooperate with ULA in order to meet this requirement. Failure to submit an ISF to CBP in a timely manner can subject ULA to fines and/or penalties. Under no circumstances should a shipment to ULA be made without advance coordination.

(i) CONTRACTOR will notify the Procurement Representative five (5) days in advance of any delivery of Work under this Contract so that the Procurement Representative can provide instructions as to the shipping and customs forms that will need to accompany the Work. CONTRACTOR agrees to provide the documentation that is required by ULA, completed in accordance with ULA's instructions. CONTRACTOR agrees to take all other action reasonably requested by ULA to expedite customs clearance in the United States for the Work.

(j) The CONTRACTOR agrees to provide timely and accurate reporting of fees and commissions paid related to Part 130 of the ITAR, when applicable. This subparagraph shall be flowed down to any authorized Subcontractors, as applicable.

(k) CONTRACTOR agrees to identify and obtain ULA approval prior to permitting third country/dual nationals to perform under this Contract. In addition, since the State Department currently considers birth country as a factor in determining nationality, for export purposes, the CONTRACTOR agrees to identify any individual whose birth country is different than their nationality/citizenship promptly upon discovery. For all Work on this Contract CONTRACTOR agrees to comply with U.S. export and import laws relating to third country/dual nationals, including the obtainment of State-mandated Non-Disclosure Agreements with such individuals, as applicable. This clause shall be flowed down to any authorized Subcontractors, as applicable.

(l) United States Customs and Border Protection's Customs Trade Partnership Against Terrorism (C-TPAT) is an initiative between business and government to protect global commerce from terrorism and increase the efficiencies of global transportation. The program calls for importers, carriers and brokers to establish policies to enhance their own security practices and those of their business partners involved in their supply chain. Such practices may include but are not limited to the following:

- 1) Procedural Security – Procedures in place to protect against unmanifested material being introduced in the supply chain.
- 2) Physical Security – Buildings constructed to resist intrusion, perimeter fences, locking devices, and adequate lighting.
- 3) Access Controls – Positive identification of all employees, visitors, and suppliers.
- 4) Personnel Security – Employment screening, background checks and application verifications.
- 5) Education and Training Awareness – Security awareness training, incentives for participation in security controls.

CONTRACTOR agrees to work with ULA and appropriate industry and governmental agencies, as necessary, to develop and implement policies and processes consistent with the C-TPAT initiative to ensure the safe and secure transport of Work under this Contract. CONTRACTOR should not make changes and/or modifications, billable to ULA, to current security systems and procedures without first obtaining ULA's concurrence.

(m) CONTRACTOR shall use export-controlled technical data and/or hardware, only in the provision of data and/or services and manufacture of Work in accordance with this Contract and within the constraints of any applicable U.S. export license or agreement. CONTRACTOR will not retransfer ULA-provided export-controlled hardware or data, including derived or extracted data, to a sub-tier supplier(s) or any other party without prior approval from ULA. CONTRACTOR may have to obtain U.S. State Department-mandated Non-Disclosure Agreements, Non-Transfer and Use Certificates, or other required documentation before ULA can approve a retransfer. Upon retransfer approval, CONTRACTOR shall ensure ULA's export-controlled legends are maintained on all retransferred controlled data received from ULA, or derived from ULA data. This clause shall be flowed down to any authorized Subcontractors, as applicable.

(n) CONTRACTOR shall indemnify and hold harmless ULA, its officers, employees, and agents from any losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorney fees, all expenses of litigation and/or settlement, and court costs caused in whole or in part by the actions or omissions of CONTRACTOR, its officers, employees, agents, suppliers, or Subcontractors in relation to its export/import activities.

11. EXTRAS

Work shall not be supplied in excess of quantities specified in this Contract. CONTRACTOR shall be liable for handling charges and return shipment costs for any excess quantities. If Work is manufactured with reference to ULA's proprietary information or materials, CONTRACTOR agrees that, pursuant to the "Information of ULA" and, as appropriate the "Intellectual Property and Indemnity" clause of this Contract, it will not sell or offer such Work for sale to anyone other than ULA without ULA's prior written consent.

12. FINAL ACCEPTANCE

(a) ULA's final acceptance shall be at destination.

(b) If CONTRACTOR delivers non-conforming Work, ULA may, in addition to any other remedies available at law or at equity: (i) accept all or part of such Work at an equitable price reduction; or (ii) reject such Work.

(c) CONTRACTOR shall not re-tender rejected Work without disclosing the corrective action taken.

13. FURNISHED PROPERTY

(a) ULA may provide to CONTRACTOR property owned by either ULA or its non-U.S. Government customer (Furnished Property). Furnished Property shall be used only for the performance of this Contract.

(b) Title to Furnished Property shall remain in ULA or its non-U.S. Government customer. CONTRACTOR shall clearly mark (if not so marked) all Furnished Property to show its ownership.

(c) Except for reasonable wear and tear, CONTRACTOR shall be responsible for, and shall promptly notify ULA of, any loss or damage. CONTRACTOR shall manage, maintain, and preserve Furnished Property in accordance with good commercial practice.

(d) At ULA's request, and/or upon completion of this Contract, the CONTRACTOR shall submit, in an acceptable form, inventory lists of Furnished Property and shall deliver or make such other disposal as may be directed by ULA.

(e) The Government Property Clause contained in Section II shall apply in lieu of paragraphs (a) through (d) above with respect to Government-furnished property, or property to which the Government may take title under this Contract.

14. GOVERNING LAW AND VENUE

(a) This Contract shall be construed and interpreted in accordance with the substantive law, excluding its choice of law rules, of the State of Colorado. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Contract.

(b) Any provision in this Contract that is (i) incorporated in full text or by reference from the Federal Acquisition Regulations (FAR); or (ii) incorporated in full text or by reference from any agency regulation that implements or supplements the FAR or; (iii) that is substantially based on any such agency regulation or FAR provision, shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contract appeals, and quasijudicial agencies of the Federal Government.

15. GRATUITIES/KICKBACKS

(a) No gratuities (in the form of entertainment, gifts or otherwise) for the purpose of obtaining or rewarding favorable treatment as a supplier, and no kickbacks, shall be offered or given by CONTRACTOR to any employee of ULA.

(b) CONTRACTOR shall contact ULA's Office of Internal Governance, at 1-800-511-4173, if any employee of ULA requests a gratuity and/or kickback.

(c) By accepting this Contract, CONTRACTOR certifies and represents that it has not made or solicited and will not make or solicit kickbacks in violation of FAR 52.203-7 or the Anti-Kickback Act of 1986 (41 USC 51-58), both of which are incorporated herein by this specific reference, except that paragraph (c)(1) of FAR 52.203-7 shall not apply.

16. INDEPENDENT CONTRACTOR RELATIONSHIP

CONTRACTOR is an independent contractor in all its operations and activities hereunder. The employees used by CONTRACTOR to perform Work under this Contract shall be CONTRACTOR's employees exclusively without any relation whatsoever to ULA.

17. INFORMATION OF ULA

CONTRACTOR agrees to comply with the terms of any Confidentiality Agreement entered into by the parties and respect any proprietary and other restrictive markings that may be applied by ULA to anything provided hereunder to CONTRACTOR. Information provided by ULA to CONTRACTOR remains the property of ULA and such information, including tangible items conveying or embodying such information, is deemed the proprietary, confidential and/or trade secret information of ULA. Such information may be used by CONTRACTOR solely in accordance with the terms of any Confidentiality Agreement and for the purposes of this Contract. CONTRACTOR may not disclose such information to any third party without prior written consent of ULA.

18. INFORMATION OF CONTRACTOR

ULA personnel are not authorized to receive any information in confidence from CONTRACTOR. All communications of any kind from CONTRACTOR to ULA, accordingly, shall be deemed to be on a non-confidential basis unless CONTRACTOR and ULA have executed a Confidentiality Agreement protecting CONTRACTOR information.

19. INSURANCE AND ENTRY ON ULA PROPERTY

(a) The provisions of this subparagraph (a) shall apply only in the event that CONTRACTOR, its employees, agents, or Subcontractors enter the site(s) of ULA or its customers to perform Work under this Contract.

(i) CONTRACTOR and its Subcontractors shall procure and maintain for the performance of this Contract the following types of insurance:

(a) Worker's Compensation in amounts as required by law, including U.S. Longshoreman and Harbor Worker's Act, if applicable, and Employer's Liability at a limit no less than \$1 Million.

(b) Commercial General Liability covering Premises Liability, Contractual Liability, Products and Completed Operations and Personal Injury Liability at a limit no less than \$3 Million each occurrence and annual aggregate. This policy shall name ULA as an additional insured and include a Waiver of Subrogation in favor of ULA; and

(c) Commercial Automobile Liability covering all owned, non-owned and hired vehicles, including loading and unloading thereof at a limit of no less than \$1 Million.

(ii) CONTRACTOR and its Subcontractors shall comply with all site requirements.

(b) CONTRACTOR may also have to provide other insurance as ULA may reasonably require.

(c) CONTRACTOR shall provide ULA thirty (30) days advance written notice prior to the effective date of any cancellation or change in the term or coverage of any of CONTRACTOR's required insurance, provided however such notice shall not relieve CONTRACTOR of its obligations to carry the required insurance. At Contract inception and at each renewal/replacement thereafter, CONTRACTOR shall send a "Certificate of Insurance" showing CONTRACTOR's compliance with these requirements and including this Contract number, to the Procurement Representative. Insurance maintained pursuant to this clause shall be considered primary as respects to the interest of ULA and is not contributory with any insurance which ULA may carry. CONTRACTOR's obligations to carry insurance coverages are freestanding and are not affected by any other language in this Contract.

20. INTELLECTUAL PROPERTY AND INDEMNITY

(a) All Foreground Intellectual Property Made by or for CONTRACTOR, either alone or with others, in the performance of this Contract will be (i) the exclusive property of ULA ("Assigned Intellectual Property"), (ii) delivered to ULA promptly upon request, and (iii) protected and used in accordance with the "Information of ULA" clause.

(b) CONTRACTOR will (i) promptly disclose in writing all inventions conceived, developed or first reduced to practice in the performance of this Contract to ULA and (ii) execute all papers, cooperate with ULA and perform all acts necessary in connection with the filing, prosecution or assignment of related patents or patent applications on behalf of ULA.

(c) To the extent permitted under United States or foreign copyright law, all works of authorship, including documents, drawings, test data, software, software documentation, photographs, videotapes, sound recordings and images, created by or for CONTRACTOR, either alone or with others in the performance of this Contract, will be works made for hire, with the copyrights therein vesting in ULA. The copyrights in all other such works that fall under this paragraph, including the exclusive rights therein, will be promptly transferred and formally assigned free of charge to ULA.

(d) CONTRACTOR grants to ULA, and to ULA's customers and subcontractors an irrevocable, nonexclusive, royalty-free, fully paid-up, transferable, worldwide license under any Background Intellectual Property owned or controlled by CONTRACTOR, but only to the extent that such Background Intellectual Property of CONTRACTOR would otherwise interfere with ULA's or ULA's customers', subcontractors', or suppliers' use or enjoyment of the Work being delivered under this Contract or the Assigned Intellectual Property.

(e) CONTRACTOR warrants that the Assigned Intellectual Property and/or Work performed or delivered under this Contract will not infringe or otherwise violate the Intellectual Property rights of any third party.

(f) CONTRACTOR shall defend and hold harmless and shall indemnify ULA, its customers, agents, employees, and subcontractors from and against any loss, damage or liability including attorney's fees and costs, based on a claim of infringement or misappropriation of any third party's Intellectual Property rights by the Work or Assigned Intellectual Property performed or delivered hereunder. ULA shall notify CONTRACTOR promptly of any such claim and, at CONTRACTOR'S option and expense, shall provide to CONTRACTOR reasonable and necessary information, assistance (at CONTRACTOR's expense) and authority to defend or settle said claim. If required by ULA, CONTRACTOR shall provide proof of having sufficient resources or insurance to support this indemnification obligation.
